GOLDEN VISA

The Golden Visa Program, backed by the UAE government, is intended to incentivize foreign business owners and startup founders who have the potential and qualities, it enables these talents to live, and work or study in the UAE while enjoying exclusive benefits.

Scheme beneficiaries are as :

➤ 1. Investors – Public Investment – Real estate Investment

The above category can obtain a Golden visa in the UAE if they fulfil one of the following conditions:

- purchase a property worth no less than AED two million or
- purchase a property with a loan from specific local banks or
- buy one or more off-plan properties of no less than AED two million from approved local real estate companies.

➤ 2. Entrepreneurs –

- Owner of a registered successful startup
- Approved Idea of a startup
- Previous founder of a successful startup that was sold inside or outside of UAE

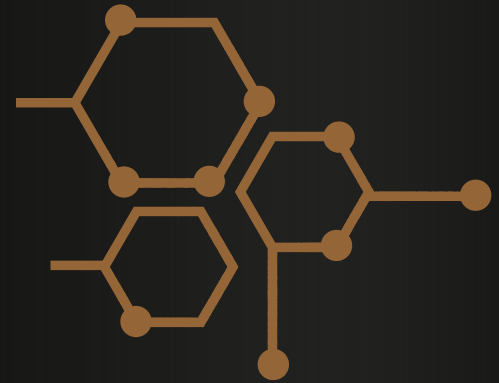

Here the conditions are as follows;

- Own or partner in a start-up registered as a small and medium enterprises (SMEs) in the UAE, and the company generates annual revenues of not less than AED one million
- Obtain an approval for a start-up idea from an official business incubator or from Ministry of Economy or other competent local authorities
- Must have founded an entrepreneurial project that was sold for a total amount of not less than AED seven million.

Inventors, innovators, and exceptional talents in vital fields such as culture, art, sports and digital technology can obtain a Golden visa regardless of their educational qualification, employment status, monthly salary or professional level. The visa requires a recommendation or approval from a federal or local government entity

➤ 3. Scientist and Professionals

- Scientists
- Chief executives and senior officials
- Science professionals
- Engineering Professionals
- Health professionals
- Education professionals
- Business and administration professionals
- Information Technology professionals
- Legal, social and cultural professionals

Scientists and researchers with high achievements and influence in their field can get the Golden visa based on a recommendation from the Emirates Scientists Council. A candidate should have a PhD or a Master's degree in one of the disciplines of engineering, technology, life sciences and natural sciences from the best universities in the world, as well as substantial research achievements.

➤ 5. Outstanding students and Graduates

- Best performing students in secondary schools
- Best graduates in UAE university
- Graduates of the best 100 universities world wide

High performing students in the UAE's secondary schools and outstanding graduates from the UAE's universities and the best 100 universities worldwide can get the Golden visa. Criteria includes academic performance/cumulative average, year of graduation and the university classification.

➤ 6. Humanitarian pioneers

- Distinguished members of International and regional organization
- Outstanding members of associations of public benefit
- Recipients of recognition awards in humanitarian fields
- Distinguished volunteers and sponsors of humanitarian efforts

➤ **7. Frontline Heros** **– frontline workers with extra ordinary efforts** **in crisis like covid-19 pandemic**

The top benefits for the golden visa holders here as follows

- An entry visa for six months with multiple entries to proceed with residence issuance
- A long term, renewable residence visa valid for 10 years
- A self-sponsored visa, as there is no need for an employment sponsor
- Ability to stay outside the UAE for more than the usual restriction of six months in order to keep their residence visa valid
- Sponsoring their family members, including spouse and children regardless of their ages
- Sponsoring unlimited number of domestic helpers
- Allowing family members to stay in the UAE until the end of their permit duration, if the primary holder of the Golden visa passes away.

The United Arab Emirates is one of the most prosperous countries in the world, attracting many immigrants with various job opportunities and decent living conditions. Likewise, its residential facilities and travel sights are known to be out of the world in the means of stateliness and ostentation. The country also ensures its citizens hold a powerful passport allowing them to travel 167 countries by visa-free access.

As a startup studio company we do have dedicated team and Professionals to fulfill all kind of visa requirements such as:

➤ **NORMAL BUSIENSS VISA**

➤ **GREEN VISA**

➤ **EMPLOYMENT VISA**

➤ **PARTNER VISA**

➤ **DEPENDENT VISA**

➤ **STUDENT VISA**

➤ **VISIT VISA**

➤ **TOURIST VISA**
